

Peak Health Electronic Data Interchange (EDI)

Electronic submission:

Effective January 1st, 2023, Peak Health supports the ability to submit claims electronically via their clearinghouse, Olive AI. To submit electronically, providers will use Peak Health's **Electronic Payer ID: peak0**

Peak Health supports the following EDI transactions:

| | |
|-----------|-----------------------------------|
| 270/271 | Eligibility Request and Response |
| 276/277 | Claim Status Inquiry and Response |
| 837i/837p | Health Care Claims |
| 835 | Remittance Advice |

If you are having any issues submitting claims to Peak Health electronically, please contact your billing vendor to ensure they have Peak Health's Payer ID in their system. Peak Health's clearinghouse is Olive AI which can be provided to your vendor.

Peak Health claim connections can also be established through:

- SSI Group
- Waystar

Need help setting up electronic claims?

- Email to: ch.enrolledi@oliveai.com

Are you looking to set up electronic remittances?

Complete the enrollment form and submit to: ch.enrolledi@oliveai.com
