

Peak Health Aquatic Center at Mylan Park

On July 1, the Aquatic Center at Mylan Park will be renamed the Peak Health Aquatic Center at Mylan Park. Under the new partnership, Peak Health and Mylan Park will collaborate to further their shared commitment to bring more health and wellness opportunities to West Virginia.

Members and beneficiaries of Peak Health's health insurance plans will have free access to the Aquatic Center and other Mylan Park recreation and fitness facilities through the Mylan Park MyPARK Pass program.

Current monthly members of Mylan Park or the Aquatic Center can cancel their paid membership upon registering for the free benefit and will be transferred over on the first of the next month. - Because we expect significant enrollment in the program, we have scheduled enrollment sessions at Mylan Park on the dates and times set forth below. Signing up at one of these sessions will likely be faster than signing up during a busy swimming day at Mylan Park.
