

Dear Provider,

Availity is the Peak Health designated Clearinghouse. If you are submitting electronic healthcare transactions, please ensure your clearinghouse has an open connection to Availity. The Peak Health Payer ID is PEAK0. Below you will find additional information on Availity. You have the option to register with Availity so you can take advantage of additional tools available to you.

### Peak Health and Availity and what I need to do?

Provider Submission Type	What do I need to do?
You submit EDI Transactions through a clearinghouse or Trading Partner today.	No action needed for EDI transactions. Your Clearinghouse or Trading Partner will need to make the necessary changes to update the connections for Availity submission. Register on the Availity portal for additional tools (optional).
You submit EDI Transactions directly to Peak Health today (not using a clearinghouse or Trading Partner).	Your PMS vendor or your IT department will need to adjust the EDI routing (see info below). Register on the Availity portal for additional tools and re-enroll with Availity for ERAs as needed.
You submit Transactions to Peak Health using a manual upload via FTP	Register on the Availity portal to gain access to the Availity tool.

Transaction types available through Availity.
