Introducing On-Demand Virtual Urgent Care – Care When You Need It

How It Works

1 Log in to your MyWVUChart or MyPeakChart Member Portal or mobile app.

2 Select On-Demand Urgent Care to start a virtual visit.

3 Get care fast — no appointment needed.

Why You'll Love It

- WVU Medicine providers available 8a to 8p, 363 days per year-including nights, weekends, and most holidays (unavailable on Thanksgiving and Christmas)

- National and after hour services provided by Teladoc

- Covered for Peak Health members

- Convenient and affordable

- **Connected care —** visit summaries are shared with your Primary Care Provider

Peak Health is excited to partner with WVU Medicine to announce our new **On-Demand Virtual Urgent Care service** — giving members fast, convenient access to high-quality care from the comfort of home.

Through this new offering, members can connect with a licensed clinician anytime for non-emergency medical needs such as:

- ✓ **Coughs, colds, and flu symptoms**

- ✓ **Sinus infections or sore throats**

- ✓ **Skin rashes or allergic reactions**

- ✓ **Urinary tract infections**

- ✓ **Minor injuries and more**
